

REMARKS/ARGUMENTS

1.) Allowable Subject Matter

The Applicants thank the Examiner for the allowance of claims 11, 12, 14-16 and 18.

2.) Examiner Objections – Drawings

The Examiner objected to Figure 3 of the drawings because it did not illustrate the functions described at pages 5-7 of the description, which corresponds to the subject matter of dependent claims 13 and 17 which was previously incorporated into independent claims 11 and 15, respectively. The Applicants have amended Figure 3 to illustrate the additional claim steps.¹ Appropriate changes to the drawings are provided on the Replacement Sheets submitted herewith. The Examiner's approval of the drawing is respectfully requested.

CONCLUSION

This application should now be in condition for allowance, and a Notice of Allowance is respectfully requested.

Respectfully submitted,
